Weekly WQED 89.3 fm Listening Assignment

(due by end of each week)

Visit <http://www.wqed.org/fm/> and click “playlist” to find out what you listened to!

- You may have to wait a little while after you listen to view the composer/title on the playlist.
- Sometimes the composer/title is not given, even after a while. In that case, just tell me what show you listened to.

1. When (date and time) did you listen to the music?

2. What was the title of the piece of music?

3. Who composed it?

4. Describe the instruments and/or voices that you heard. Can you name any of the instruments? If there were singers, were they male, female, or mixed?

5. Describe in detail the mood of the music. What range of emotions did it express? Joyful? Sorrowful? Contemplative? Use whatever words you can to describe the mood of the music you listened to.
