

August 10, 2010

Dear Central Catholic High School Parent,

Great news! We are again pleased to announce that the **Central Catholic High School Prepaid Campus Account** will be one method of payment for cafeteria purchases for the 2010/2011 academic year. The Central Catholic High School Prepaid Campus Account is an integral part of our goal to become a cashless campus. A cashless campus is more convenient for parents, safer for students, and more efficient for our school. The program is similar to the prepaid account programs that nearly all Colleges and Universities have in place. Finally, no more last minute scrambling for lunch money, and no more worrying about it being lost, stolen, or spent on the wrong things. Last year we had 21% participation and we would like to have 100% for this year!

With the Central Catholic High School Prepaid Campus Account, you load money, monitor purchases, and set low balance notifications by logging onto www.myschoolaccount.com. Your student simply scans his or her fingerprint to make purchases at the cafeteria and other on-campus venues as the school makes available.

The prepaid system moves cafeteria lines faster, allots students more time to eat, allows parents to control where money is spent, and encourages better food choices. It is an overall win for students, parents, and the school. **It is our hope that all students will use this program during the 2010/2011 school year.**

Please take a few minutes and sign up, if you have not already, by going to www.myschoolaccount.com to set up your student's Central Catholic High School Prepaid Campus Account. Once the account is established, you may load funds at your convenience as the new school year approaches. Your student will be ready to make purchases by simply scanning his or her fingerprint. You will be able to monitor purchases and reload your student's account by returning to www.myschoolaccount.com at any time. Unused balances will roll over to the following school year.

If you have already signed your student up for our Prepaid Campus System, please take a few minutes to reload funds to allow for purchases beginning the first day of school, August 30, 2010.

Thank you in advance for your prompt cooperation.

Sincerely,

Edward B. Bernot
Assistant Principal for Student Affairs
