

Plum/Murrysville Bus

We are pleased to announce that school bus transportation has been made available to families residing in communities east of Pittsburgh which currently do not offer direct transportation to Central and Oakland Catholic.

There are bus stops at the Sheetz on Route 286 and St. John the Baptist Church & Grade School. The bus runs according to the school calendar and other arrangements are necessary if your son or daughter participates in after-school activities.

The maximum fee for this service is currently \$1,500 per student. A decrease in current price will depend on the number of students that commit for the school year.

While there is a fee associated with this service, the advantages are many. You will be relieved of the twice daily commute and/or anxieties over carpooling. You will not have to worry about your teenage fighting rush hour traffic or driving to Oakland in inclement weather. The students use the time to catch up on sleep or homework. Given the extremely limited parking at both Central and Oakland, the bus is a safe, reliable alternative.

Please feel free to contact Steve Bezila at sbezila@centralcatholicchs.com if you have any questions about the bus or would like additional information regarding routes, etc. I will attempt to meet everyone's needs so that we can continue to make this service available for many years to come, and so that you do not have to change your high school preference due to lack of reliable transportation.
