- 2. If you have already registered, you will need to enter your email and password to login. After you enter the login information, click the 'Log In' Button (see above).
- 3. If you are logging-in for the first time, you will need to create a new account. Both parents and students should have received a temporary password from the College Placement Office (see above).
- 4. If you do not have your temporary login password, contact the College Placement Office
- 5. When a student logs-in, he will be taken directly to the Welcome Page. Parents will be asked to select what student's information they would like to view. Select the appropriate student from the drop-down menu and click the 'Go' button (see below).

6. Both students and parents will ultimately arrive at the Welcome Page (see below).
