

## Central Catholic iPad Program Orientation Checklist

Use this checklist to ensure that you and your son understand the Central Catholic iPad Program policies and that all tasks have been completed prior to orientation. **All forms and links for the Central Catholic iPad Program can be found at:**

<http://www.centralcatholichs.com/pages/technology>

\_\_\_\_\_ Read the Central Catholic iPad Program 2018-2019 Policy, Procedures, and Information Guide at: <http://www.centralcatholichs.com/pages/technology>

\_\_\_\_\_ Read the enclosed Central Catholic iPad Program FAQ sheet.

\_\_\_\_\_ Read and sign the enclosed Central Catholic Parent and Student Agreement for iPad Use. **The signed paper must be brought to the iPad Orientation Session.**

\_\_\_\_\_ Sign up online for one of the three iPad orientation sessions by going to <https://tinyurl.com/cchsfreshmen> or the iPad website at the top of this page. Sign ups open July 16.

\_\_\_\_\_ **Create an Apple ID**, required for downloading apps and backing up data on the iPad.

- To create a new Apple ID, go to: <https://appleid.apple.com/account>
- If your son already has an Apple ID, he may use this same account for his school iPad. If his account is linked to a credit card (**not** required), he may be asked to re-enter the credit card information on the new iPad before he can proceed with the set up.
- Please note: Your son will **not** be required to pay for any school apps. He must have his own Apple ID and not a shared family account.

All paperwork and iPad setup must be complete for your son to leave the orientation with his iPad. If anything is incomplete, the iPad will remain at Central Catholic until completed. Your son is required to have a Central Catholic-issued iPad to begin school.
