

BEHAVIOR, ATTENDANCE, AND ACCEPTABLE USE POLICY

During the Central Catholic Summer Enrichment Program (BAM) we will do everything possible to ensure that each student enrolled learns new skills, is challenged, and has fun. In the tradition of Central Catholic High School, we expect each student will conduct himself in a Christian manner showing respect for others.

Central Catholic High School is providing access to its computer network and the Internet for educational purposes only. No other personal use of the Internet is condoned or allowed by the school.

If there is unacceptable conduct, for example, using vulgarities, any sort of disruptive behavior, any unacceptable physical contact or any other that we deem unsuitable, those issues will be addressed immediately. There will be no refunds for any student asked to leave the program for disciplinary reasons.

I have read the above policy and agree to accept the policy as stated above.
