Mothers' Guild Mission

It is the mission of the Mothers' Guild to lend support to the Central Catholic community through service and provident assistance. The Guild organizes and conducts many school functions each year that assist by offering a financial base for needed improvements and equipment. Our fine young men, the students of Central Catholic High School, benefit greatly from our contributions. The Mothers' Guild is comprised of a diverse group of mothers, grandmothers and aunts. All services are given with the direction of the principal and staff of Central Catholic High School, the support of the alumni, and the spiritual guidance of the Blessed Mother. To keep in touch with the Mothers' Guild please visit us on Facebook or on the Central Catholic High School web site.

We are proud to support

Central Catholic High School

and the Mother's Guild
