Our Class of 1972 Gift to Central Catholic

Among the many great Central Catholic traditions is the presentation of a substantial class gift in conjunction with 50th "blue and golden" reunions. It's our time to honor this tradition! As a class, we can leave our mark on Central in a special way while helping to provide Central's experience of excellence, integrity, and brotherhood for the Vikings of today and the future.

The reunion committee has set a target of raising \$50,000 for the Class of 1972. Your donation of any amount can help reach the goal or, better yet, blow past it as other classes have done in recent years. The good news is that we are halfway there thanks to several of our classmates who have already stepped up. We estimate that a minimum of 100 of us need to participate to ensure reaching the goal.

There are a variety of options for participation. Some make a pledge over three to five years, others make a one-time gift, or up their annual fund contribution. Please choose the way that works best for you. Thank you for considering making a generous donation or pledge at a level that is meaningful to you and within your means
