Position Description **Teacher of Chemistry**

Teacher of Chemistry Position Overview:

Central Catholic High School is seeking a dynamic and dedicated educator to join its Science Department as a high school Chemistry teacher. The ideal candidate will be a passionate and innovative professional who is committed to the academic, personal, and spiritual formation of young men in a Catholic, all-boys educational environment. Candidates should demonstrate a love for teaching, a commitment to life-long learning, and a desire to collaborate closely with colleagues to support student success and advance the mission of Central Catholic High School. Rooted in the Lasallian tradition, the school seeks individuals who will inspire students to grow as Men of Faith, Men of Scholarship, and Men of Service. This is an opportunity to be part of a vibrant community that values academic excellence, character development, and meaningful relationships.

Reports to: Principal

(works closely with the Science Department, Science Department Chair, Vice Principal of Academic Affairs, and Vice Principal of Student Affairs).
